#### Subpart A—General Provisions

##### § 964.1 Purpose.

The purpose of this part is to recognize the importance of resident involvement in creating a positive living environment and in actively participating in the overall mission of public housing.

##### § 964.3 Applicability and scope.

(a) The policies and procedures contained in this part apply to any PHA that has a Public Housing Annual Contributions Contract (ACC) with HUD. This part, except for subpart E, does not apply to PHAs with housing assistance payments contracts with HUD under section 8 of the U.S. Housing Act of 1937.

(b) Subpart B of this part contains HUD policies, procedures, and requirements for the participation of residents in public housing operations. These policies, procedures, and requirements apply to all residents participating under this part.

(c)(1) Subpart C of this part contains HUD policies, procedures, and requirements for residents participating in the Tenant Opportunities Program (TOP) (replaces the Resident Management Program under Section 20 of the United States Housing Act of 1937). Resident management in public housing is viable and remains an option under TOP.

(2) Subpart C of this part is not intended to negate any pre-existing arrangements for resident management in public housing between a PHA and a resident management corporation. On or after September 23, 1994, any new,

renewed or renegotiated contracts must meet the requirements of this part, the ACC and all applicable laws and regulations.

(d) Subpart D of this part includes requirements for the Family Investment Centers (FIC) Program which was established by Section 22 of the United States Housing Act of 1937 (42 U.S.C. 1437t) to provide families living in public housing and Indian housing with better access to educational and employment opportunities.

(e) Subpart E of this part implements section 2(b) of the United States Housing Act of 1937 (42 U.S.C. 1437), which provides for resident membership on the board of directors or similar governing body of a PHA. Subpart E applies to any public housing agency that has a public housing annual contributions contract with HUD or administers tenant-based rental under section 8 of the United States Housing Act of 1937 (42 U.S.C. 1437f).

(f) The term "resident," as used throughout this part, is interchangeable with the term "tenant," to reflect the fact that local resident organizations have differing preferences for the terms. Terms such as "resident council" and "tenant council" and "resident management" and "tenant management" are interchangeable. Hereafter, for ease of discussion, the rule will use the terms resident, resident council and resident management corporation, as appropriate.

**§ 964.11 HUD policy on tenant participation.**

HUD promotes resident participation and the active involvement of residents in all aspects of a HA's overall mission and operation. Residents have a right to organize and elect a resident council to represent their interests. As long as proper procedures are followed, the HA shall recognize the duly elected resident council to participate fully through a working relationship with the HA. HUD encourages HAs and residents to work together to determine the most appropriate ways to foster constructive relationships, particularly through duly-elected resident councils.

**§ 964.12 HUD policy on the Tenant Opportunities Program (TOP).**

HUD promotes TOP programs to support activities that enable residents to improve the quality of life and resident satisfaction, and obtain other social and economic benefits for residents and their families. Tenant opportunity programs are proven to be effective in facilitating economic uplift, as well as in improving the overall conditions of the public housing communities.

**§ 964.14 HUD policy on partnerships.**

HUD promotes partnerships between residents and HAs which are an essential component to building, strengthening and improving public housing. Strong partnerships are critical for creating positive changes in lifestyles thus improving the quality of life for public housing residents, and the surrounding community.

**§ 964.15 HUD policy on resident management.**

It is HUD's policy to encourage resident management. HUD encourages HAs, resident councils and resident management corporations to explore the various functions involved in management to identify appropriate opportunities for contracting with a resident management corporation. Potential benefits of resident-managed entities include improved quality of life, expe-

riencing the dignity of meaningful work, enabling residents to choose where they want to live, and meaningful participation in the management of the housing development.

**§ 964.16 HUD role in activities under this part.**

(a) *General.* Subject to the requirements of this part and other requirements imposed on HAs by the ACC, statute or regulation, the form and extent of resident participation including resident management are local decisions to be made jointly by resident councils/resident management corporations and their HAs. HUD will promote tenant participation and tenant opportunities programs, and will provide additional guidance, as necessary and appropriate. In addition, HUD will endeavor to provide technical assistance in connection with these initiatives.

(b) *Monitoring.* HUD shall ensure that the requirements under this part are operating efficiently and effectively.

**§ 964.18 HA role in activities under subparts B & C.**

(a) *HAs with 250 units or more.* (1) A HA shall officially recognize a duly elected resident council as the sole representative of the residents it purports to represent, and support its tenant participation activities.

(2) When requested by residents, a HA shall provide appropriate guidance to residents to assist them in establishing and maintaining a resident council.

(3) A HA may consult with residents, or resident councils (if they exist), to determine the extent to which residents desire to participate in activities involving their community, including the management of specific functions of a public housing development that may be mutually agreeable to the HA and the resident council/resident management corporation.

(4) A HA shall provide the residents or any resident council with current information concerning the HA's policies on tenant participation in management.

(5) If requested, a HA should provide a duly recognized resident council office space and meeting facilities, free of charge, preferably within the development it represents. If there is no

**Subpart B—Tenant Participation****§ 964.100 Role of resident council.**

The role of a resident council is to improve the quality of life and resident satisfaction and participate in self-help initiatives to enable residents to create a positive living environment for families living in public housing. Resident councils may actively participate through a working partnership with the HA to advise and assist in all aspects of public housing operations.

**§ 964.105 Role of the jurisdiction-wide resident council.**

(a) *Jurisdiction-wide resident council.* Resident councils may come together to form an organization which can represent the interest of residents residing in units under a HA's jurisdiction. This can be accomplished by the presidents of duly elected resident councils forming an organization, by resident councils electing a representative to the organization, or through jurisdiction-wide elections. If duly elected resident councils form such an organization, the HA shall recognize it as the voice of authority-wide residents for input into housing authority policy making.

(b) *Function.* The jurisdiction-wide council may advise the Board of Commissioners and executive director in all areas of HA operations, including but not limited to occupancy, general management, maintenance, security, resident training, resident employment,

The written procedures must provide for the recall of the resident board by the voting membership. These provisions shall allow for a petition or other expression of the voting membership's desire for a recall election, and set the number of percentage of voting membership ("threshold") who must be in agreement in order to hold a recall election. This threshold shall not be less than 10 percent of the voting membership.

(c) It must have a democratically elected governing board that is elected by the voting membership. At a minimum, the governing board should consist of five (5) elected board members.

The voting membership must consist of heads of households (any age) and other residents at least 18 years of age

(b) If a resident council fails to satisfy HUD minimum standards for fair and frequent elections, or fails to follow its own election procedures as adopted, HUD shall require the HA to withdraw recognition of the resident council and to withhold resident services funds as well as funds provided in conjunction with services rendered for resident participation in public housing.

(c) HAs shall monitor the resident council election process and shall establish a procedure to appeal any adverse decision relating to failure to satisfy HUD minimum standards. Such appeal shall be submitted to a jointly selected third-party arbitrator at the local level. If costs are incurred by using a third-party arbitrator, then such costs should be paid from the HAs resident services funds pursuant to § 964.150.

**§ 964.135 Resident involvement in HA management operations.**

Residents shall be involved and participate in the overall policy development and direction of Public Housing operations.

(a) Resident management corporations (RMCs) may contract with HAs to perform one or more management functions provided the resident entity has received sufficient training and/or has staff with the necessary expertise to perform the management functions and provided the RMC meets bonding and licensing requirements.

(b) Residents shall be actively involved in a HA's decision-making process and give advice on matters such as modernization, security, maintenance, resident screening and selection, and recreation.

(c) While a HA has responsibility for management operations, it shall ensure strong resident participation in all issues and facets of its operations through the duly elected resident councils at public housing developments, and with jurisdiction-wide resident councils.

(d) A HA shall work in partnership with the duly elected resident councils.

(e) HAs, upon request from the duly elected resident council, shall ensure that the duly elected resident council officers as defined in subpart B of this part, and other residents in the development are fully trained and involved in developing and implementing Federal programs including but not limited to Comprehensive Improvement Assistance Program (CIAP), Comprehensive Grant Program, Urban Revitalization Demonstration, Drug Elimination, and FIC.

(f) HAs shall involve resident council officers and other interested residents at the development through education and direct participation in all phases of the budgetary process.

(g) Resident council officers shall be encouraged to become involved in the resident screening and selection process for prospective residents at the development. Those selected to perform resident screening and selection functions must be trained by the HA in resident screening and selection and must sign a legal document committing to confidentiality.

**§ 964.140 Resident training.**

(a) *Resident training opportunities.* HUD encourages a partnership between the residents, the HA and HUD, as well as with the public and non-profit sectors to provide training opportunities for public housing residents. The categories in which training could occur include, but are not limited to:

the HA's reasons for rejecting the corporation's contract offer or for refusing to negotiate. Thereafter, HUD shall require the parties (with or without direct HUD participation) to undertake or to resume negotiations on a contract providing for resident management, and shall take such other actions as are necessary to resolve the conflicts between the parties. If no resolution is achieved within 90 days from the date HUD required the parties to undertake or resume such negotiations, HUD shall serve notice on both parties that administrative remedies have been exhausted (except that, pursuant to mutual agreement of the parties, the time for negotiations may be extended by no more than an additional 30 days).

(e) *Procurement requirements.* The management contract shall be treated as a contracting out of services, and must be subject to any provision of a collective bargaining agreement regarding the contracting out of services to which the HA is subject. Provisions on competitive bidding and requirements of prior written HUD approval of contracts contained in the ACC do not apply to the decision of a HA to contract with a RMC.

(a) The period that the resident participates in the program; and

(b) The period that begins with the commencement of employment of the resident in the first job acquired by the resident after completion of the program that is not funded by assistance under the 1937 Act, and ends on the earlier of:

(1) The date the resident ceases to continue employment without good cause; or

(2) The expiration of the 18-month period beginning on the date of commencement of employment in the first job not funded by assistance under this program. (See § 913.106, Annual Income.) (2) *Resident participation must include matters regarding Federal public housing and Section 8 tenant-based assistance.* A resident board member must be allowed to take part in decisions related to the administration, operation, and management of Federal public housing programs and Section 8 tenant-based rental assistance programs. This rule does not extend to matters that:
